

FSC Precautionary Measures Coronavirus (COVID-19)

FSC is taking all the necessary precautions regarding the COVID-19 virus to enable our customers to train in the safest possible environment. By following strict guidelines and taking the necessary Health & Safety measures we can still make the best out of it. We are here to help and cater to the needs and requests for everyone.

We monitor the situation every day and will take extra measures when necessary. In times like this, it is all about creating solutions and supporting each other.

Latest News & Updates
